All Dimensions and Areas are subject to survey. The particulars on this plan are supplied for identification purposes only and shall not be taken as a representation in any aspect on the part of the vendor or it's agents. Authorities should consult when services are contained within lot boundaries as building restrictions may apply. All retaining walls, services and associated easements are shown exaggerated for legibility. Trees are indicative only. All Engineering, electrical, cadastral and encumbrances are still to be finalised and are subject to change
